Commissioner for Patents

The amendment filed February 10, 2004, is non-responsive (unclear).

S. Mark Clardy
Primary Examiner
Art Unit: 1616

Claims 20-25 are pending in this application. It is unclear from the record which of claims 1-19 remain pending.

The reply filed on February 10, 2004, is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): it is unclear which claims remain pending. The amendment states that claims 1-19 are canceled, but then proceeds to present claims 18-25. In the response (p. 15), applicants state that "this amendment cancels claims 1-16 and 19", and then "adds new claims 1-6 wherein ..." various limitations are recited. Canceled claims may not be re-instated with their original numbering, but may be added as new claims (in this case, beginning with claim 26.). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, but not likely to be correctable in a telephone interview, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to S. Mark Clardy whose telephone number is 571-272-0611. The examiner can normally be reached on 7:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thurman Page can be reached on 571-272-0602. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
